

ICE CREAM JELLO

INGREDIENTS:

- 3 pkg jello (small box - all same flavor)
- 3 pkg gelatin
- 4 c. hot water
- 1½ c. sugar
- 1 qt (4 c.) vanilla ice cream (softened)

DIRECTIONS:

1. In a large bowl, mix first 4 ingredients until everything is dissolved. Let cool for several minutes.
2. Add ice cream and mix well. Cool slightly.
3. Pour into a 9x13 inch pan and refrigerate until firm.
4. Once jello is firm, cut into desired amount of pieces.
